HOW IT WORKS

REGULAR SEASON BEGINS THE WEEK OF NOVEMBER 16, 2026.

Eligible registered league members may begin using their 50% league round discount starting October 1, 2026. Rounds played before the regular season are optional - an added benefit for practice, qualifying and additional discounted play.

Once the regular season begins, the league is structured around approximately one round per week. Players may complete multiple eligible rounds in the same week when needed for scheduling, vacations, health or other circumstances.

SEASON MAXIMUM: 28 DISCOUNTED LEAGUE ROUNDS THROUGH APRIL 11, 2027.

IMPORTANT TERMS

League rounds are 50% off Condor's regular hourly simulator rate applicable at the time of play. Regular hourly rates may change without notice.

The league discount cannot be combined with any other promotion, discount, or special rate, including Reverse Twilight, Senior discounts, or similar offers.

Discounts apply only to the registered member's eligible share of play and have no cash value.
